Hello Everyone,

A few of you have been asking for this inspection from my visit to the South Fork of the Clearwater River on July 22nd and I have finally gotten it together. In addition to the inspection I have attached the Notice of Noncompliance (NONC) letter that I handed out to eight of the dredgers/highbankers and the attachment that was handed out with the NONC letter. Let me know if you need any additional information for your agency's records.

Cheers,
Clint
